

LET ME INTRODUCE MYSELF...

I'm Jenna and I am a creative digital designer and I will be an asset to your team. Being creative has always been one of my passions. I love working independently and in teams. I'm intuitive, innovative, determined, organised and never afraid to ask 'why?'. I have experience in designing for print and web and a range of skills that I utilise in any task and always willing to learn new and improve my skills.

WHY YOU SHOULD HIRE ME!
